

## FINAL PROJECT

# CSS3 FOUNDATIONS CERTIFICATION

For this project, you will create a real estate listing page, writing both the HTML5 code and the CSS code from scratch. You can download the assets for the page at [https://drive.google.com/file/d/18xhOCAIn3\\_iaPFsISTgSLSeU0I94rgPh/view?usp=sharing](https://drive.google.com/file/d/18xhOCAIn3_iaPFsISTgSLSeU0I94rgPh/view?usp=sharing)

You will be creating a single page for this project. The page must work, and be usable and generally well designed on mobile devices, tablet devices and full-sized screens. You should use the responsive design techniques demonstrated in this section and/or flexbox to make your design accessible across the range of device screens.

To earn certification your submission must meet the following requirements:

- ❑ The listing page should show all of the included images
- ❑ Images should be appropriately sized using CSS
- ❑ The listing page should use semantic HTML
- ❑ Text should be readable and well-formatted
- ❑ Page should work and be generally error-free on mobile devices, full sized screens, and full sized screens
- ❑ HTML should be well formed, well-formatted and generally error free
- ❑ CSS should be well formed, well-formatted and generally error free
- ❑ No visual formatting should be accomplished with HTML-- Only CSS should be used to change the appearance of the elements.

Good luck!

## SUBMITTING EXERCISES

To earn certification all exercises must be submitted and accepted.

1) When you've completed all of the HTML exercises, please zip them into a single file and submit to our Dropbox at <http://bit.ly/CWDP2324>.

2) Next, fill out the certification completion form at <https://forms.gle/5EIUGCM6dGdIF2Py6>.

Remember, that all of your exercises for each module should be included in a separate zip file.

## GETTING HELP

We always want to ensure that your questions are answered. There are a number of ways to get in touch.

1) We operate a lively Discord server. Join us at <https://discord.gg/tgxX2fCrv5> and you can ask your question on Discord. Mark and our team of instructional assistants monitor this Discord and answer questions ASAP.

2) This certification program is offered on several platforms. Most platforms have a Q & A section where you can post questions. We monitor these and respond as quickly as we can.

3) You may use our question hotline email at [questions@dollar.designschool.com](mailto:questions@dollar.designschool.com).

**Remember to always to include which section your question is from and send any code you're working on!**
